From

The Secretary,

To

P. G. D'Souza, Esq., B.A., B.L.,

Officiating Secretary to the Government of
His Highness the Maharaja of Mysore,

Departments of Education & Agriculture, Bangalore.

Sir,

X

With reference to Government Proceedings No.526-9/Edn.19-14-31 dated the 3rd August 1915 according sanction to a grant of Rs 300 to an industrial school proposed to be started at Alur, Hassan District to train boys in brass industry and calling for a report as to the result of the working of the school, I am directed to state that it is now reported that there is no prospect of successfully working an industrial school in an out-of-the-way place like Alur and that Mr. Nanjundappa who had promised a donation of Rs 500 towards initial expenditure had declined to pay his contribution as provision has not been made for the teaching of carpentry in the Government Order referred to.

In this connection it may be mentioned that the Government grant asked for was for training boys in brass work, no reference having been made to carpentry in any of the communications addressed to the Central Committee by the District Committee. (Vide enclosures to this office letter No.2649 dated the 7th June 1915.)

I have the honour to be,
Sir,
Your most obedient servant,

C. Kesteven Man

Secretary.
